

## Early Childhood Center

# ***SEVERE WEATHER POLICY***

If Washington Township Schools (*which includes North Central High School*) **CLOSES:**

- then the entire Church at the Crossing campus and all programs for that day will be CLOSED.
- All ECC programs will CLOSE (*Preschool, Parents' Day Out, Neighborhood*)

If Washington Township Schools has a **2-HOUR DELAY:**

- Then all ECC Programs will OPEN ONE HOUR LATER
- Neighborhood Child Care program will open at 7:30 a.m.
- All Part-Day Classes (*Preschool and Parents' Day Out*) will open at 10 a.m.

The Early Childhood Center will also announce over TV Channel 13. It will appear with the rolling script at the bottom of the screen or on their website, [WTHR.com](http://WTHR.com).

You may also call the office at 575.6508 for voicemail updates.

**Any changes are made by 6 a.m. when the weather gets questionable.**

*And always remember: "When in doubt...check it out."*

Of course, you can decide to just stay at home and not venture out. Individual subdivisions and particular streets will deal with slightly different conditions. That is always a parents' judgement call. Exercise your good wisdom for your family. You may call the office and leave a message that you're not attending today and we will pass it along to your teachers.
